 - She worked in an enthusiastic manner.

SECTION D (2 x 10 = 20 marks)

Answer BOTH the questions in about 500 words each.

29. a) Draft a lesson plan for the following poem

Life by Henry Van Dyke

Let me but live my life from year to year,
With forward face and unreluctant soul;
Not hurrying to, nor turning from the goal;
Not mourning for the things that disappear
In the dim past, nor holding back in fear
From what the future veils; but with a whole
And happy heart, that pays its toll
To Youth and Age, and travels on with cheer.
So let the way wind up the hill or down,
O'er rough or smooth, the journey will be joy:
Still seeking what I sought when but a boy,
New friendship, high adventure, and a crown,
My heart will keep the courage of the quest,
And hope the road's last turn will be the best.

(or)

- b) How will you develop the listening and speaking skills of higher secondary students? Justify your answer with suitable activities.

30. a) You are the Secretary of your colony. Your colony utilizes solar energy to light the common areas. You find many friends of your colony forgetting to switch off the lights in the common area.
